From the desk of Adjutant Sharon

Congratulations to the newly elected Department, Detachment, and Alaska Rider Officers. A big thanks to Matanuska Valley Legion Family Post 15 for hosting the 106th Department Convention and all of you who attended 23-26 April 2025.

Tired of carrying your Membership card in your wallet/pocket? Download the Legion + app. Your Legion membership card is available once you click on the icon on the top left side of the phone screen.

Oratorical contest –National Contest is again at Hillsdale College, Michigan, 16-18 May 2025.

Boys State Alaska is **8-14 June 2025** at the Alaska Healing Hearts Warrior Family Camp (formally known as Alaska State Elks Camp). **Applications** need to be sent to Boys State Director Kevin Collier (SAL member from Squadron 1) **by 1 April 2025** (or send applications to Department Headquarters by mail or email – Dept of AK-TAL, 1550 Charter Circle, Anchorage AK 99508; kelly@alaska-legion.org or adjutant@alaska-legion.org). American Legion Baseball players are authorized to attend Boys State as this is also a Legion program. The last several years our Boys State students went to Utah’s Boys State as we didn’t have enough students to conduct our own program.

National Convention Tampa Bay, Florida is 22-28 August 2025. The Hotel Registration Form will be sent by email when the hotel room rate is received from National. The email will be sent to those who stated they were interested in attending the Convention (names received April 2024). **National Convention for 2026 is Louisville, Kentucky;** names are being collected at the April 2025 **Department Convention** (hotel room requests are for 2026 are due to National by 30 April 2025).

“Training Tuesdays” (held the last Tuesday of each month 3 PM Alaska Time/7 PM ET; sessions are recorded and placed on the website under www.legion.org/training/training-tuesdays. There are many publications on the Legion’s website available for download to include the Officer’s Guide [Publications | The American Legion](#).

The American Legion’s success depends entirely upon membership, participation, and volunteerism. The organization belongs to us (the people it serves) and the communities in which it thrives. Thank you for your service and your continued support to The American Legion and our veterans, their families, and our military service members and their families.

Phone calls and emails requesting assistance from the National Headquarters staff are sent to the Department Headquarters office. **National staff will not work directly with the individual.**

Send Post events and photos to Kelly at kelly@alaska-legion.org. Photos are placed in the Post News Kelly puts out monthly and **Event Flyers** are sent weekly with the barometers – Legion, Auxiliary, Sons. Make sure to include your Post, Unit, and/or Squadron, date and time of event, and location. Some of the flyers we receive do not show who is hosting the event.

Check your local community calendar for events happening Memorial Day (26 May 2025) as we honour those veterans who have gone before us to Post Everlasting; National Poppy Day is Friday, 23 May 2025; and Flag Day this year is on Saturday (14 June).

From the desk of Commander Pam

Greetings Alaska Legionnaires! With winter upon us, my official visitation schedule has slowed down. I had a great visit at George H. Plumley Memorial Post 20 in Kenai this past January. I was invited for a visitation dinner, where I had a wonderful time talking with their post officers and members of their legion family. Later in January, I attended the SAL Steak Feed Fund-raiser for Boys State, at Susitna Valley Post 35 in Wasilla. The steak was great, and it was a successful fund-raiser! In February I visited Joseph T. Craig Post 3 in Ketchikan. They had a fry bread taco dinner to fund-raise for their re-build. Many members were in attendance. During the fund-raiser, I was presented with a personalized flask as a thank you for supporting their rebuild fund-raising efforts this past year. According to PDC Deb Davis, I have raised \$3,992.00 during my visitations and events in 2024. Coming up in March, I am planning to visit C. Russell Huber Post 57 in Fairbanks for their election of officers. Meeting and talking with our legion family is my favorite part of being Department Commander.

I was selected to serve as a judge to support our Department Oratorical Contest. Oratorical is one of my favorite programs of The American Legion. The contestant’s speeches were educational, and they spoke eloquently. Each contestant was awarded a college scholarship for their respective placement in this year’s contest. First place went to Reagean Wingard from Henry “Gene” Burton Memorial Post 13 in Sitka with a scholarship of \$3,500. Second place went to Margaret Borges from Susitna Valley Post 35 in Wasilla with a scholarship of \$2,500. Third place went to Lael Bartch from C. Russell Huber Post 57 in Fairbanks with a scholarship of \$1,000. Fourth place went to Victoria Moore from Interior Alaska Post 99 in Salcha with a scholarship of \$500. Reagean will represent the Department of Alaska at the national competition at Hillsdale College in Hillsdale Michigan on May 17th and 18th. We wish you luck, Reagean.

April is coming fast with the Department Convention scheduled to start on the evening of April 23rd and culminating on April 26th with the installation of new officers for all branches of the Department of Alaska legion family. It will be at Matanuska Valley Post 15 in Palmer. We hope to see a big turnout with lots of participation from each post this year. Each department committee should have a diverse representation from our many posts across the state. Don’t forget to send in your registration packets to Post 15 and your delegate forms to the Department office. Have your post adjutant check their email, all notices have been sent to them. I look forward to seeing you there.

News from the Sons of the American Legion

The Sons of the American Legion have always upheld the values of service, sacrifice, and community. As an organization, we are driven by the commitment to honor the legacy of our forefathers who served in the military, while also giving back to our communities in meaningful ways. One of the most impactful ways we can extend our service is by forging connections with elderly residents in assisted living and retirement homes, particularly veterans and those who may not have served but have lived rich lives full of invaluable experiences.

Our senior citizens, many of whom have lived through difficult times and accomplished incredible feats, often find themselves isolated in their later years. The conversations, stories, and wisdom they possess are treasures that are too often left untapped, especially in the quiet halls of nursing homes and retirement communities. For members of the Sons of the American Legion, we have the opportunity to bridge that gap—both for the benefit of those in these facilities and for our own enrichment as individuals and as a community.

The Power of Connection

For many older adults, particularly veterans, the experience of aging can bring feelings of loneliness or being forgotten. They may have once been active participants in their communities, but as health and mobility decline, their social circles often shrink. However, many elderly residents still possess a lifetime of knowledge and stories that, when shared, can provide an invaluable perspective on history, culture, and the human experience.

Fostering Intergenerational Understanding

As Sons of the American Legion, it's important that we understand the value of intergenerational connections. By visiting and spending time with elderly residents, we not only uplift their spirits but also develop a deeper appreciation for the history they've lived through. For veterans, especially, this can be an opportunity to share stories of their military service—stories of valor, sacrifice, camaraderie, and resilience that are often forgotten over time.

How Sons of the American Legion Can Make a Difference

There are countless ways in which members of the Sons of the American Legion can engage with the elderly in retirement and assisted living homes. Here are a few simple, yet meaningful, actions that can have a significant impact:

- 1. Regular Visits and Companionship:** Take time out of your busy schedule to visit local retirement homes. Even a brief visit can brighten someone's day, and the impact of regular companionship cannot be underestimated.
- 2. Share Stories and Memories:** Encourage the elderly residents to share their stories with you. Their memories are priceless, whether they recount moments from their military service, family traditions, or their personal experiences.
- 3. Organize Events or Activities:** The Sons of the American Legion can also organize events such as themed dinners, movie nights, or small celebrations for holidays and special occasions. A special event can provide an opportunity for everyone to come together, enjoy each other's company, and celebrate life.

Let's make a commitment today to ensure that no one—veteran or non-veteran—feels forgotten in their later years. By sharing our time, respect, and attention, we keep the spirit of service alive, creating meaningful bonds and preserving the stories that make our history so incredibly rich.

From Lisa Williamson
Past National Auxiliary
President.

Nationwide, Department of Veterans Affairs (VA) medical facilities use the creative arts as one form of rehabilitative treatment to help Veterans recover from and cope with physical and emotional disabilities.

Across the country each year, veterans enrolled at VA health care facilities compete in a local creative arts competition. The competition includes categories in the visual arts division that range from oil painting to leatherwork to paint-by-number kits. In addition, there are categories in writing as well as the performing arts of dance, drama, and music.

Local creative arts competition top winning entries advance to a national judging process and first, second and third place entries are determined at the national level. First place winning Veterans are invited to attend the National Veterans Creative Arts Festival hosted by a different VA facility each

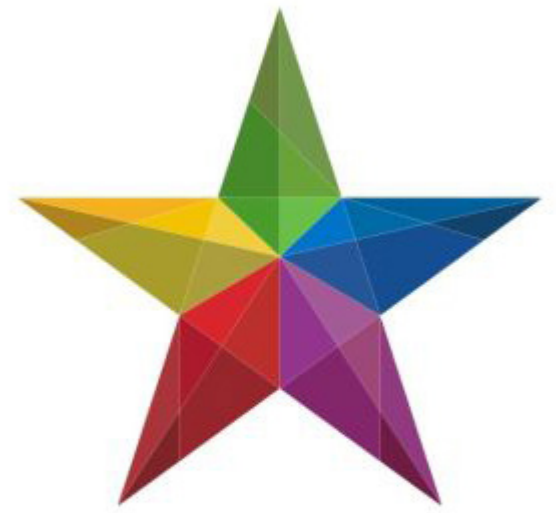

Co-presented by the Department of Veterans Affairs and the American Legion Auxiliary, the National Veterans Creative Arts Festival is the culmination of VA facility competitions in art, creative writing, dance, drama and music for Veterans enrolled in the Department of Veterans Affairs national health care system. Veterans exhibit their artwork and original writings or perform musical, dance or dramatic selections in a live stage show performance. All Veterans invited to participate are selected winners of a national creative arts competition in which thousands of Veterans enter from VA medical facilities across the nation.

VA medical facilities incorporate creative arts into their therapy programs to further the rehabilitation goals for both inpatients and outpatients. This annual competition recognizes the progress and recovery made through that therapy and raises the visibility of the creative achievements of our nation's Veterans.

Each VA facility determines their own local competition deadline dates. Most VA facilities hold their local competitions between May and August. The top 3 finalist entries in each category of the local competitions will advance to the national level of judging via digital submission. National competition results were announced in January 2025. First place winners at the national level of the competition will be invited to attend the 44th National Veterans Creative Arts Festival in the spring of 2025 in Indianapolis, Indiana.

This competition is open to Veterans who are eligible to receive care through the Department of Veterans Affairs AND are enrolled at a VA Medical Center, Outpatient Clinic, or Vets Center BEFORE entering the local competition. An eligible Veteran can enter the local competition at only one VA facility per year.

They can submit an entry in creative writing, dance, drama or music categories with a Veteran or group from another VA facility but still represents and must work through their originating facility to enter the competition. This facility should be the site where they receive their primary treatment.

CREATIVE ARTS
FESTIVAL

From Department Auxiliary President, Lori

I hope everyone enjoyed the unusual warm weather we had these past months. I know I did. Though... I must say it made traveling around the state an adventure with floods and avalanches.

Just a reminder...the American Legion Auxiliary 103rd Convention will be held in Palmer at Matanuska Valley Post 15, April 23rd – 26th, 2025. Don't forget to register. Our American Legion Auxiliary National President Trish Ward from Kansas will be honoring us with a 2-hour training session. You don't want to miss this.

For the first time, we will be awarding a Unit of the year award. Please look for further information from our Department Secretary. Don't be afraid to toot your own horn when submitting your report.

Other important dates to remember:

April – is the month of the Military Child, remember to purple up for our Military Children on April 15th.

- American Legion Family Day – April 26th

May – National Poppy Day – May 24th

- Memorial Day May - 27th

June – Flag Day - June 14th

As for membership...I am happy to report we have achieved our March 15th deadline of 85% and are currently standing at 86.39%. Our next goal is 95% by May 23rd. We still have a ways to go to reach 100%, but I have faith we can achieve our goals.

Congratulations to Dorman H. Baker Unit 11 for having their 100 year anniversary last month. I wish for a hundred more.
