Post 13 sending a **BIG THANK YOU** to MagiKids by Weirdcards for the continual support of **Magic: The Gathering!**

Do not know which is funnier, the Coastie REALLY enjoying those french fries or Vince pretending to think?

Post 13 would also like to thank (such nice manners) the USCG volunteers that came to help (on their day off) remove old plexiglass and install brand new covering for our 46 Star Flag last flown on Capitol Hill on July 3rd, 1912.

Did you miss the Boys State Girls State Steak Feed Again!!!

You also missed the fantastic opportunity to meet **these.....people..**

The "Crew" that makes it all come together. Even that GUY who comes up from Hawaii to cook and show off his - TAN

Thank all of you for supporting this fundraiser. All money goes to Alaska Boys State and Alaska Girls State. For those not sure what Boys - Girls state is...

American Legion Boys State is among the most respected and selective educational programs of government instruction for U.S. high school students. A participatory program in which students become part of the operation of local, county and state government, Boys State was founded in 1935 to counter the socialism-inspired Young Pioneer Camps. The program was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card, who organized the first Boys State at the Illinois State Fairgrounds in Springfield.

American Legion Auxiliary sponsors a separate but similar program for young women called Girls State.

Dan Cole brought Mikey because someone has to be the responsible one!

On or around Feb. 3 of each year, American Legion posts nationwide commemorate the selfless acts of four chaplains.

A huge shout out to Squadron 99, Interior Alaska. At the squadron's recent get together they shared knowledge on how to fold and present flags. They have teens teaching younger youth. It's so great to be able to engage our youth!
